

Privacy Notice (How we use school workforce information)

Cramlington Learning Village (CLV) is the 'Data Controller' for the purposes of the General Data Protection Regulation (GDPR). We collect and hold personal information relating to our workforce and may also receive information about them from their previous employer.

The categories of school workforce information that we collect, process, hold and share (where appropriate) includes, but is not limited to:

- personal information (such as name, employee or teacher number, national insurance number)
- special categories of data including characteristics information such as gender, age, ethnic group
- contract information (such as start dates, hours worked, post, roles and salary information)
- work absence information (such as number of absences and reasons)
- qualifications (and, where relevant, subjects taught)
- relevant medical information
- relevant work-related information
- addresses
- payroll information

Why we collect and use this information

We use school workforce data to:

- inform the development of recruitment and retention policies
- enable individuals to be paid
- allow better financial modelling and planning
- enable the development of a comprehensive picture of the workforce and how it is deployed
- conduct work-related duties

The lawful basis on which we process this information

We process this information as Public Task and Legitimate Interests under Articles 6 and 9 from the General Data Protection Regulation (GDPR).

Collecting this information

Whilst the majority of information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with data protection legislation, we will inform you whether you are required to provide certain school workforce information to us or if you have a choice in this.

Storing this information

We hold school workforce data for 7 years from the date of termination. Further details can be found in our Data Retention Policy.

We store all data securely in full compliance with GDPR.

Who we share this information with

We routinely share this information with:

- our local authority
- the Department for Education (DfE)
- suppliers and service providers - to enable them to provide the service we have contracted them for. CLV routinely check all suppliers and service providers for compliance with GDPR compliance

Why we share school workforce information

We do not share information about workforce members with anyone without consent unless the law and our policies allow us to do so.

Local authority

We are required to share information about our workforce members with our local authority (LA) under section 5 of the Education (Supply of Information about the School Workforce) (England) Regulations 2007 and amendments.

Department for Education (DfE)

We share personal data with the Department for Education (DfE) on a statutory basis. This data sharing underpins workforce policy monitoring, evaluation, and links to school funding / expenditure and the assessment educational attainment.

We are required to share information about our workforce with the (DfE) under section 5 of the Education (Supply of Information about the School Workforce) (England) Regulations 2007 and amendments.

Data collection requirements

The DfE collects and processes personal data relating to those employed by schools (including Multi Academy Trusts) and local authorities that work in state funded schools (including all maintained schools, all academies and free schools and all special schools including Pupil Referral Units and Alternative Provision). All state funded schools are required to make a census submission because it is a statutory return under sections 113 and 114 of the Education Act 2005

To find out more about the data collection requirements placed on us by the Department for Education including the data that we share with them, go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

The department may share information about school employees with third parties who promote the education or well-being of children or the effective deployment of school staff in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The department has robust processes in place to ensure that the confidentiality of personal data is maintained and there are stringent controls in place regarding access to it and its use. Decisions on whether DfE releases personal data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested; and
- the arrangements in place to securely store and handle the data

To be granted access to school workforce information, organisations must comply with its strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
