

Internship Opportunities

Interested in Teaching Maths or Physics?
Are you currently studying for a Maths or Physics degree?

Placements available for Maths or Physics Teaching Internships through Trinity North East Teaching School Alliance.

Our programme will offer you an opportunity to gain invaluable experience of teaching whilst:

- Receiving funding of £300 per week
- Observing experienced and outstanding teachers and actively contributing to lesson planning and delivery
- Following a structured programme with the support and guidance from a one-to-one mentor
- Networking opportunities with qualified subject specialists

Following completion:

- Continued contact with your mentor
- Support you to make an application through UCAS for Teacher Training
- Guaranteed interview for School Direct vacancies available through Trinity North East Teaching School Alliance

Criteria:

- Minimum of 5 GCSEs including Maths and English
- Working towards or achieved a minimum of a 2:2 degree classification
