

30 March 2020

Dear Parents/Carers,

## UPDATE FOR ALL PARENTS

I hope that you and your families continue to be well. I am writing to update you with regard to the Easter holiday provision in school.

We will open throughout the Easter holidays, apart from Good Friday and Easter Monday. This is to further support the children of critical workers who require this ongoing provision.

Again as per the government advice, please only use this provision if it is absolutely necessary for your work.

A booking system is already live on the Frog parent page of parents who have informed us they are key workers - it is important that this is used to let us know in good time when we can expect your child in school so we can provide the appropriate provision and level of staffing. Also do please let us know if your booking is no longer needed so we can adjust staffing accordingly.

I do hope that your son/daughter is finding it straightforward to access the work set by their teachers. We believe that it is important during this period of closure that your son/daughter continue to complete all tasks set to the best of their ability. Please support them by ensuring they are frequently checking the 'Out of School Work' feature on Frog and returning completed work back to their teachers. We have asked teachers to be really clear about the tasks they are expected to do and the deadlines.

To support the students who are in school, work will continue to be set during the period which was originally scheduled to be the Easter holidays. Teachers have been asked to develop some longer-term, project-style tasks for this period so that families have some flexibility and can arrange for the learning to happen when it is convenient.

If you have any queries about this at all do not hesitate to contact your son /daughter's teachers or their pastoral staff. We will endeavour to do our best to help and support.

We understand that this is a difficult and worrying time and we aim to keep parents and students updated through our regular letters and bulletins.

Many thanks for your continued support.

Yours Sincerely

Mrs Heslop  
Headteacher
